Principal's Message
It is quite unbelievable that we are already halfway through the year. Well done to the children for their efforts so far and thank you to everybody in the school community for your involvement in Dalton Public School.

It was great to see so many people at yesterday’s assembly. The classroom was filled to capacity and it was an enjoyable time celebrating the children’s achievements.

The reports have been sent home today with your children. It is great to have a discussion with your child regarding their reports. The Key Learning Areas comments are based around outcomes covered in class. There is a key on the front of the reports explaining the achievement levels. If you would like an interview with me regarding your child’s progress, please contact me and we will organise a suitable time.

As I mentioned at the assembly, next term is not really any less busy than the previous two terms. A calendar has been attached to this newsletter. Feel free to hang it on the fridge and add any other dates that arise throughout the term.

Once again, I hope you have an excellent holiday period with your children and we look forward to seeing them back here on Tuesday 15th July.

Regards,
Ross Copland
Acting Principal
