Principal’s Message
It was great to see everybody at the Open Day and Jump Rope for Heart session yesterday. The children really enjoyed your involvement and enthusiasm.

That is the first of many events coming.

Tonight the children need to be at the Goulburn Workers Club by 7.15pm in their black pants, black shoes and GCOPS shirt which was handed out this afternoon. Please let me know when you are taking your children after the show tonight.

Jeans for Genes Day is on tomorrow. Let’s support the Children’s Medical Research Institute as best we can by making a donation to wear our jeans.

There are some more reminders regarding The Lion King excursion next Wednesday included in this newsletter.

Regards,
Ross Copland
 Acting Principal
