Remembrance Day

Last Wednesday staff and students commemorated Remembrance Day by participating online in the service which took place at the Australian War Memorial in Canberra.

All our students observed the service with respect and were very interested in the national commemorative address given by indigenous author and historian, Jackie Huggins who recounted stories of her grandfather and father, who served in World War 1 and 11 respectively.

Public Speaking—Brynn shines

Brynn did himself and the school proud with his excellent and informative speech about the Kangaroo March which he delivered at NSW Parliament House last Wednesday. He presented his speech as a part of an award ceremony for the Kangaroo March, ‘Bound for Adventure’ Exhibition which displays the best diary and postcard works from schools along the March route.

This was a great honour for Brynn and the school and we congratulate him on his effort.
**Combined Robotics Day**

K-6 are looking forward to the visit from Binda Public School tomorrow when we have the second of our robotics days with Ms Hyland (Goulburn High School). With our VEXIQ kit having arrived last week we will be designing and building robots which will be used in a return challenge early in the new year.

We have been very fortunate to have the generous support from Goulburn High School and thank Ms Hyland for the time and effort she has put into the two days.

**Life Education**

Our visit to the Life Education Van was enjoyed by all our students with Kindergarten and Year 1 learning about healthy foods and important internal body parts while Years 3 and 4 went on a 'cyber' journey of discovery through the digestive and circulatory system. Senior students were, ‘On the Case’ discovering why cigarettes are bad for our health.

As well as our Life Education experiences our students combined with their peers for a variety of activities throughout the day.

We thank Principal, Mr Scott for hosting the day.
