Growing Our Future

Sporting Highlights

Sporting events have been very much in the spotlight over the past few weeks with a great day enjoyed by everyone at the Bowning Small Schools Athletics Event held at the end of Week 3.

We had some excellent results during the day with Kyle being named joint Senior Runner-up. Congratulations Kyle and well done to all our students. Detailed results are attached to the newsletter.

Rory trialled for the regional rugby team last Friday giving his best - well done, Rory.

Abdullah will represent the school and district next Friday at the Regional Cross Country. We wish him all the best for the challenging course.

With the District Athletics being held at Yass on Friday, 5 June we are sending home relevant information and permission notes with this newsletter.

Thinking of Others - K-6 support the Nepal Appeal

Following the recent devastating earthquake in Nepal our student leaders, Rory and Brynn, organised a ‘Mufti Day’ as a fundraising event. Everyone joined into the spirit of things on Monday, enjoying a day out of uniform and raising $57.00 towards the Nepal Appeal.

This was a fantastic effort for our small school. Well done to all our students and thank you to Rory and Brynn for organising the day.

Thank you also to all our families for supporting our fundraising efforts for the Red Cross to provide vital assistance needed by the Nepalese.
**GCOPS Concert & Rehearsal for Yrs 4-6**

Our next rehearsal for the Goulburn Community of Public Schools Concert will be at Bradfordville Public School on Thursday 4th June. We are again sharing a bus with Gunning and Breadalbane schools, leaving Gunning at 9:30am.

We have organised to travel to Gunning by bus, leaving Dalton at 9:15am and returning by 3pm. Our students will be joining other schools in the massed choir performance on Monday 27th July.

A note regarding the purchase of tickets will be sent home closer to the concert date.

---

**Lunchtime Clubs are 'hands-on'*

With our first cycle of lunchtime clubs completed, groups will rotate on Monday with the same four students in each group again starting at 1:10 and concluding at 1:50 pm. During the first cycle students cooked some delicious food with Karina, made fun and practical items with Kath in sewing and displayed their artistic talent and creativity with Maree and Renae. Thank you to you all for your great support as tutors.

Our new groups are:

**Growing Our Future**
'Reading is Rad’ - Book Club & Book Fair

Any orders for Book Club Issue 4 should be returned to school by Thursday 4th June.

With Book Fair running this week we have had an excellent response from students and families both before and after school. There was a diverse range of books available which catered for everyone’s interests.

We thank our children and parents for supporting the Fair. Your purchases will enable us to place more books in the library for our students’ reading pleasure.

Camp News and Fundraising

With camp only nine weeks away the Primary students are running a raffle to help with costs with all proceeds being evenly distributed amongst the students.

There is a great prize of a $200 "wotif" accommodation voucher to be won with tickets selling at $1.00 each. The advantage of a voucher is that tickets can be sold to anyone, anywhere so it doesn’t mean that families are the ones having to buy!

Thank you to Rory and Brynn for organising and running the raffle.

Please note: Camp medical and consent forms need to be completed online - information is attached.

Lost Property

Has anyone lost a pair of joggers or a blanket? Maree at Gunning Public School has found them after the Athletics Carnival, so please let Kerry know if they belong to you.

Also a reminder we would request that all personal items are labelled as it makes identifying lost or misplaced items so much easier for children and staff and avoids children becoming upset.
