Principal’s Message
We’ve certainly had a very busy few weeks here in our little school. Firstly, congratulations to Alyrah for reaching the next level of swimming at Dapto. Another congratulations goes to Joe for his personal best in the 9 to 11 years rider class for Under 15 hands.

We also welcomed two new students - Baxton in Year 3 and his brother Preston in Year 1. All of our continuing students have been very welcoming to our new students.

Thank you for your patience and understanding when I was away at the Principals’ Conference last week. There are many changes to teacher learning and accreditation requirements that all principals needed to be aware of, ensuring only the best teachers are in classes.

Alison Finlayson

Dental Visit
The Oral Health team from Goulburn will be visiting our school tomorrow for free assessment of your child’s teeth. They will also run a brushing instruction lesson, providing a toothbrush and toothpaste for all children. If you have not already done so, please send the consent form to school.

GCOPS Rehearsal
The children in Years 3-6 will be participating in the first rehearsal for GCOPS on Wednesday. They will be travelling to Goulburn from Gunning PS, leaving at 9.30am. Students in Years K-2 will be attending Gunning PS as there will be no teaching staff at Dalton.

P&C Meeting
Our 2016 committee elected at the AGM on 10th February is: President Hector Vivas; Vice Presidents Kahli Weir & Martin Walsh; Secretary Tim Lester and Treasurer Phil Waine. We look forward to a productive year supporting our little school.

New Play Equipment
We have received new play equipment, thanks to the Woolies Earn N Learn stickers from last year. The children have enjoyed using the giant polydron construction set and gears to create interesting models.

Power Outage
Essential Energy is having a planned power outage on Tuesday 8\textsuperscript{th} March for maintenance. The school has organised a generator to maintain electricity and water supply during the outage so there should be no disruption to the school routine.

Opens division Tuesday nights 6.30pm Commences 26th April

On Saturday the 12th of March, round up your friends and family and bring them down to Banjo Patterson Park in Yass at 8:30am for a fun-filled day at the Interact Fair and Scavenger hunt!

The Interact Club of Yass is an organization which is a part of Rotary International, but specialised for young people aged 12-18 who want to make a difference in the community and wider world. Proceeds raised by the scavenger hunt and the gold-dollar donation for entry to the fair will go towards the clubs International project to support a medical centre and school in Amed, Indonesia.

At the fair, there will be a jumping castle, face painting, food stalls, exciting displays, and much much more!

On the day, we will be running a scavenger hunt, this is an awesome team building exercise and great fun! Create a group of colleagues, staff, friends, family or mates and register for a low cost and a chance to win great prizes!!

All ages are welcome, and to enter the scavenger hunt, you can email the club at yassinteract@gmail.com or just show up and register the morning of the fair.
